### To the CLERKS of COURSES.

**A**S many fatal Accidents happen by Riders being thrown or jammed against the Posts, which are commonly square, and much larger than necessary, it is earnestly recommended to all Clerks of Courses, where new Posts are erected, to have them made round, of a light brittle Wood, not above three Inches in Diameter, and two Feet higher than usual ; and where the old ones are suffered to remain, to have the Edges taken off, and the Bottom sawed nearly through, so that they may fall with any strong Pressure.

Observed in RUNNING for his MAJESTY's  
PLATES at NEWMARKET.

IT is his MAJESTY's Command, that these following Rules be observed by the Owners and Riders of all such Horses, Mares, or Geldings, as shall run for his MAJESTY's PLATES at NEWMARKET.

- I. **E**VERY Horse, Mare, or Gelding, that runneth for the said Plate, shall carry Twelve Stone, fourteen pounds to the stone, three heats †.
- II. Every person that putteth in a Horse, Mare, or Gelding, for the said plate, is to shew such Horse, Mare, or Gelding, with the marks, name, and names of the owner, to be entered at the King's stables in Newmarket the day before they run; and shall then produce a certificate, under the hand of the breeder, that his Horse, Mare, or Gelding, be no more than six years old the grass before.
- III. Every Horse, Mare, or Gelding, that runneth, is to start between the hours of one and four in the afternoon; and to be allowed half an hour between each heat to rub.
- IV. Every Horse, Mare, or Gelding, that runneth on the wrong side of the posts or flags, or is distanced in any of the heats, shall have no share of the said Plate, nor be suffered to run any more.
- V. The Horse, Mare, or Gelding, that winneth any two heats, winneth the plate; but if three several Horses, Mares, or Geldings, win each of them

† By a late order, this is altered to ONE HEAT.

a heat, then those three, and only they to run a fourth heat ; and the Horse, Mare, or Gelding, that winneth the fourth heat, shall have the Plate.

VI. And each Horse, Mare, or Gelding's, &c. Place, as he or they come in, by the ending-post, each heat, as 1st, 2d, or 3d, &c. shall be determined by such judges as shall be appointed for that purpose, by the Master of the Horse. And in case any Horse, Mare, or Gelding, shall be then, or after, proved to be above the age of six years the grass before, the owner or owners of such Horse, Mare, or Gelding, shall be made incapable of ever running for any of the King's Plates hereafter.

VII. As many of the riders as shall cross, jostle, or strike, or use any other foul play, as shall be judged by such person or persons as shall be appointed by the Master of the Horse, such rider shall be made incapable of ever riding any Horse, Mare, or Gelding, for any of his Majesty's Plates hereafter ; and such owners shall have no benefit of that Plate ; but such owners may be permitted to run any Horse, Mare, or Gelding, for any other of his Majesty's free Plates hereafter.

VIII. Every rider shall, immediately after each heat be run, be obliged to come to the ending-post, with his Horse, Mare, or Gelding, then and there to alight, and not before, and there to weigh to the satisfaction of the judges appointed for that purpose.

IX. And in case of neglect or refusal thereof, such owners and riders shall be immediately declared incapable of running or riding any more for this or any of his Majesty's Plates hereafter.

X. And in case any difference shall arise relating to their ages, or in their running, or to these his Majesty's orders, &c. the same to be determined by such person or persons, who shall be appointed by the aforesaid Master of the Horse.

*at what time.* ALL stakes for matches, subscriptions, and sweepstakes, shall be made before starting for the same; and in default thereof by any person, he shall forfeit in like manner, as if he had not produced his colt, filly, horse or mare, to start; and shall have no claim to the stake or stakes of the match, subscription, or sweepstakes, should his colt, filly, horse, or mare, have started and come first; and the said colt, filly, horse or mare, shall be considered in regard to all bets whatsoever, as if forfeit had been paid; and this to remain in full force as an established agreement of the Jockey Club, unless such person has previously obtained the consent of the party or parties present, with whom he is engaged, to dispense with his making his stake as aforesaid.

ALL

ALL forfeits unpaid before starting for any match, subscription, or sweepstakes, shall be paid to the persons appointed by the Stewards to receive the same, at the coffee-room, before 12 o'clock at night of the day such forfeits are determined; and each person making default therein, shall forfeit and pay to the persons so appointed by the said Stewards, after the rate of five pounds for every hundred pounds so forfeited, which shall be disposed of by the said Stewards towards such uses as they shall think fit.

THAT all forfeits or money paid on compromising any match or sweepstakes, shall, *bona fide*, be declared and entered in the day-book, in order that all Betters may be put upon an equality with the persons who had the match or sweepstakes, and may thus be ascertained in what proportion they are to pay or receive.

*Forfeits and compromises to be entered.*

THAT the Stewards of the Jockey Club shall appoint some proper person to examine every colt or filly, being of the age of two, three, or four years, at the ending-post, immediately after running, the first time any colt or filly shall start for any plate, match, sweepstakes, or subscription.

subscription at Newmarket, and the said appointed person is to sign a certificate of such examination, and his opinion thereupon, which certificate is to be hung up before eight o'clock the evening of the said day of running, in the coffee-house at Newmarket.— But for all plates, matches, subscriptions, or sweepstakes, where the colt or filly is required to be shewn before running, the examination as above-mentioned shall be made at the time of shewing them, and the certificate of the person appointed shall immediately, in like manner, be fixed up in the coffee-room at Newmarket.

*Time of starting, and forfeit on neglect, &c.* THAT the hours of starting shall be fixed up in the coffee-house by eight o'clock in the evening preceding the day of running; and it is expected that every groom should start punctually at the time appointed; and any groom failing so to do, shall forfeit five guineas each time to the Jockey Club. *Disputes how to be determined.* THAT all disputes relative to racing at Newmarket shall, for the future, be determined by the three Stewards, and two referees to be chosen by the parties concerned. If there should only be two Stewards

Stewards present, they are to fix upon a third person in lieu of the absent Steward.

THAT if for any sweepstakes or subscription, the two first horses shall come in so near together, that the judge shall not be able to decide which won, those two horses shall run for such prize over again, after the last match on the same day; the other horses which started for such sweepstakes or subscription, shall be deemed losers, and entitled to their respective places, as if the race had been finally determined the first time.

*When the judge cannot decide a sweepstakes, or subscription, the two first horses to run over again.*

THAT all betts determined by one event shall be subject (as before agreed) to any compromise made by the principals, and paid in proportion to such compromise; but that all double betts shall, for the future (to prevent the frequent disputes which have arisen) be considered as play or pay betts.

He was got by Old Cade, his dam by Bartlet's Childers; which mare was own sister to the grandam of Fribble, Snapdragon, Curiosity, Angelica, and Fair Rosamond. Belford was allowed to be as good as any, if not the best, racer of his time. At four years old he won the great sweepstakes at Huntingdon, beating Mr. Shafto's Squirrel, and nine others. At five years old he won the king's plate at Newcastle, the plate for all ages at Lincoln, and the plate for five year olds at Morpeth. At six he won the king's plates at Nottingham, York, and Lincoln, beating

Perseus, Silvio, Bosphorus, and others. He then became the property of Lord Grosvenor, who rode him himself a stag and fox hunting seven seasons, and he was allowed to be the best hunter ever seen in Cheshire.

He has had very few mares till the last three years, and only five of his get have been trained, viz. a colt that won a sweepstakes at Wakefield Lawn; Imogen, who won several times, and is now a brood mare in Lord Grosvenor's stud; and Stephano, whose performances are well known.

In the year 1774 and 1775, he covered 38 mares, 35 of which proved in foal. Gentlemen may see the horse, likewise two colts, and two fillies of his get, by enquiring for the groom at the sign of the Ship at Tottenham.

Also, at the same place,

**STREAMER**, own brother to Sweetwilliam, at 5gs a mare, and 5s. the groom; he was got by Syphon, his dam by Old Cade, granddam by Bloody Buttocks: she was the granddam of Gimcrack, and A-la-Grecque; his great grandam by old Partner; she was own sister to the dam of Match'em; his gr. gr. grandam by Makeless, she was the great grandam of Dainty Davy; his great great grandam by Britmer; his gr. gr. gr. grandam by Dodsworth, out of a Layton Barb mare. Streamer is now rising five years old, is 15 hands high, and free from all natural blemishes.

The

The reason this horse never appeared in public as a racer, is as follows; when he was rising three years old, he was taken with the distemper, from which he recovered; but in about six weeks afterwards, he was again taken with the same disorder, which, as it could never be brought to run, fell into his eyes, and left a weakness; before this happened, his eyes were, and always had been, perfectly good. However he so far recovered as to be trained, and was tried twice; he both times shewed great speed, but his sight failing, was obliged to be pulled up each time, when he had run about one mile. Mr. Joseph Daniels, who broke him, and in whose care he was, from the time he was one year old, till he went into training; Mr. Charles Adams Farrier, who attended him in his illness, and Mr. John Pratt, who rode the trial-horse both times he was tried, have attested the truth of the above account.

We whose names are hereunto subscribed do certify, that the above account is strictly true.

JOSEPH DANIELS.

CHARLES ADAMS.

JOHN PRATT.

The proprietor of this horse judged it necessary to state the case as particularly as possible, in order to enable gentlemen breeders to judge, whether a weakness in the eyes, brought on in the abovementioned manner, is any objection to a horse as a stallion.

On the 26th, he won a subscription of 250gs over the Beacon Course, beating Raton and a colt of Lord Grosvenor's; after which, he was kept as a trial horse till the year 1775, in which he won, with great ease, a 50l. plate at Egham, beating Prospero, and Cockspur; also 50l. at Abingdon, beating Fantail; also 50l. at Bath, beating Frolic, Nestor and Pincher; after which he was lamed in running at Epsom, in the October Meeting, the same year, and could never stand training since.

**The Fine GREY BARB**, at 5gs each mare, and 5s. the Groom,

That was sent in 1774 as a present to his Majesty, by the Emperor of Morocco, out his own choice stud—a breed not to be purchased at any price.

He is 7 yrs old this grafs, is 15 hds 2 in. high, perfectly sound, free from blemishes, with bone far superior to any foreign horse that ever came into this kingdom, has the appearance of much blood, is made like the  
Godol-

Godolphin Arabian, and allowed by good judges to be the likeliest horse that ever came from that country, to get king's plate horses. He is a very sure foal-getter; the gentlemen of the Turf are referred to as fine a made horse, and as likely a figure to get running cattle as ever was brought into this country, which his colts evidently shew, as they are remarkable for bone, size, and fine racing shape.

Also at the same place,

The Fine Grey Horse GRANBY, at 2gs a mare, and half a crown the groom.

Granby was bred by the late Ld Granby, and got by his famous high-bred horse Boothby, (Boothby was got by Old Snake,) out of a well bred hunting mare of his Lordship's, called Cope's mare: her great qualifications as a hunter are well known to all Gentlemen Foxhunters in the North. She was esteemed the best hunter in England to carry heavy weights.

Granby is 9 yrs old, 16 hands high, perfectly sound, free from blemishes, and so remarkable strong and boney, that he is allowed by good judges to be master of 18st. to hunt over any country. He is a very sure foal-getter; his stock are handsome, boney, well marked, good goers, and, in general, bays. He is the likeliest horse in the kingdom to get very capital hunters, and fine chapmen's horses. Some of his get have been sold at 100gs each, for hunters.

**GUILPHEE**, a real mountain Arabian horse, at Mr. Thomas Stamford's, at Newmarket, at 5gs a mare, and 5s. the groom; his colour dapple grey, and warranted of the true breed of racers, having a most sublime hodget or certificate, and a horse of beautiful shape, and perfect actions.

**HENRICUS**, that fine brown horse, at Mr. Raithby's, at Delrow-House, Aldenham, Herts, at 3gs a mare, and 5s. the groom.

He is full fifteen hands and two inches high, very proportionable in bone, has no natural blemish, was a very good runner: he first won a match over Newmarket, and one plate at four years old: at five, he won a plate at Ascot-Heath, and the King's Plate at Litchfield in a canter, beating Julius Cæsar, which has covered years past at 30gs at Guildford. In the year following had won the first heat for the King's Plate, and was winning the second with ease, and by accident dislocated his pastern, or would have won all the King's Plates in the south. Henricus was got by Black-and-all-Black, the best son of Old Crab, which Black-and-all-Black was sire of the dams of Firetail, Pincher, and sire of Fair Phillis, which won many plates; his dam by Hobgoblin, which got Shakespeare and Trimmer, and the grandam

Vol. IV.                      O o                      of

of Harvey's Flying mare, which no doubt was the best of her time; also, the dam of Mirza and Entrance. His grandam was own sister to Blank. Hobgoblin was got by Aleppo, a son of Darley's Arabian, sire of Childers, his dam by the Wharton Careless, which got the dam of Childers; so that Hobgoblin and Childers were very near in blood: Henricus, till within the last year, was not known to have had three good mares, or more than three of his get trained; one of which is Proserpine, which started for eight plates, and won six of them, giving weight to different ages, such as sixteen pounds to Nestor, and beat him; one of the others won four plates and a sweepstakes; so that without partiality or prejudice he should have the preference of numbers that cover at 20gs or more. Henricus shall cover any mare that has won two 50l. plates, for only the fee to the groom, or any that may have bred a horse or mare that have won two plates.

Good grass, and due care will be taken. Delrow is thirteen miles and a half from town; two miles from Elstree; two from Bushey; three from Watford; and two and a half from Stanmore.—Any mare sent to Mr. Raithby's, Piccadilly, shall be carefully sent to the horse.

famous mare, Dutchess, for the King's Plate at Litchfield; his grandam was the dam of Careless, Sportfinan and Fearnought.

TO GENTLEMEN SPORTSMEN,  
and all PERSONS interested in HORSES,  
DOGS, and the Brute Creation in general.

Mr. GOULARD, SURGEON,  
in Montpellier's ORIGINAL GE-  
NUINE EXTRACT of SATURN.

**M**RS. Turmeau, in Greek-street, Soho (her name on the door) sole Successor to the late Dr. Arnaud, the only person in Great Britain authorised by Mr. Goulard to supply the Public with his Extract of Saturn, Vegeto Mineral Water, and all his various Preparations. The above remedies will be found peculiarly specific in the following cases; such as strains, bruises, recent and old sores, stiffness of the joints, hard swellings, fistulas, gunshot wounds, venomous bites, poll-evil, bruises in the withers, warbles in the back, shoulder-wrench, shoulder-slip, sinew strains, grease, scratches, mules, kip'd heels; also in cases of gangrene and mortification, and all other external disorders and accidents incident to horses and dogs.

B. N. Co.

N. B. Colonel Matthews, who gave me leave to mention his name, cured his horse (which had been bit in the belly by a serpent) when he was near expiring, by applying the above remedies, which are now universally adopted in almost every nobleman's stables.

The Extract of Saturn, 10s. 6d. per bottle.

The Vegeto Mineral Water prepared from the Extract of Saturn for horses and dogs, 4s. 3d. per quart.

Goulard's Compound Eye-water, for curing inflammations, blows, bruises, and other accidents incident to the eyes of horses and dogs, 4s. per bottle.

French Camphorated Spirits of Wine. An equal quantity mixed with the Extract, makes the Mineral Water; 1s. 6d. per bottle.

Goulard's Pomatum of Saturn, prepared for horses and dogs; to be used in the above cases; 10s. 6d. or 5s. 3d. per pot.

Goulard's particular preparations for the Mange, price 8s.

\*†\* The above medicines, differently prepared, will be found useful in all families; and should never be omitted in the chests of gentlemen travelling; as, by their ready assistance, they cure many, and prevent greater disorders, such as strains, sprains, bruises, recent and old sores, swellings, and inflammations, &c. These medicines may be had in boxes of 1l. 3s. to 2l. 2s. and the complete box, with particular directions, for horses, human species, &c. 3l. 3s. They will retain their virtue for any term of years in any climate.

Mrs.

Mrs. Turmeau requests permission to return her grateful thanks to those noblemen and others, who have honoured her with their commands; also for the accounts she daily receives of the surprising cures performed by the above medicines—after the failure of repeated trials of other medicaments.

The public may discover all counterfeits, by remembering, that the Extract of Saturn, sold by her, is sealed “M. Turmeau” round the cypher, G. A. and signed by herself; all other Extracts sold under the name of Goulard’s, are counterfeits and impositions, she being the only person that has it from himself.

With each bottle of Extract is given Dr. Arnaud’s Dissertation of the Remarks on the Composition and Use of that Medicament; explaining their various and salutary properties and manner of using them.

††† All directions given with the medicines, will be signed M. Turmeau.

## HORSE MEDICINES,

Prepared and sold by WILLIAM RADLEY,  
Druggist and Chymist, No. 27, near Gray’s-  
Inn Gate, Holborn.

**T**HE Purging Balls contain, in a small compass, all the essential qualities of a stomachic purge; they do not cloy a horse’s stomach as most other purges do; but without the least griping, scour a horse well, and make him  
stale

stale plentifully. Horses, after being badly or irregularly fed, or coming from grafs into stable, are apt, on change of diet, to have humours flying about them, which settle on the lungs, legs, or blood-vessels, cause either an obstinate cough, greafe, or farcy, which might be prevented by a few doses of physick; and therefore highly necessary for all horses newly purchased. Price 2s. a parcel, containing three doses.

Diuretic Balls, 2s. a pot, which will effectually cure the greafe; and are likewise successful in defluctions of the eyes, and most other humours that fly about a horse.

Cordial Saffron Balls, 3s. a pot; to be given when a horse is faint or fatigued, before starting on the course, or on a long journey.

Worm Powders for destroying all kind of worms, 5s. per dozen.

Pectoral Powders for Coughs and epidemical Colds, 2s. a parcel.

Fever Powders, 3s. a parcel.

These Powders may be given without trouble, as they will take them in their food.

Purging Balls for Hounds, 2s. 6d. a box.

Goulard's Extract of Saturn, 2s. 6d. a bottle.

Horse Medicine Chests complete, 5l. 5s.

To be Sold by Private Contract.

I N a country where the manly exercise of riding is so predominant, an attempt to render it more pleasing and useful will, doubtless, be generally countenanced. Of this kind the Inventor humbly presumes his New Invention will be ranked, as in them both these essential properties are happily united; they not only preserve an elegance and neatness, equal with the most approved productions of that kind, but are particularly adapted to the ease both of man and horse, by a well regulated combination of elasticity, by which also the rider is enabled to form a better and firmer seat on them. The approbation which experience has given, forms a proof of their utility, and will, he hopes, incline those Gentlemen who have not seen them to have ocular demonstration, and their properties explained at John and Thomas Walker's, near Lord Coventry's, Piccadilly; and at their shop also at Newcastle-upon-Tyne, where every other branch of Saddlery, for home consumption and exportation, may be had. Side Saddles, on the same principle, have been greatly approved.

Girth-web Manufacturer, Sadler, and Coach-harness-maker, late of Boswell-court and Butcher-row, Temple-bar, the only Maker of Girth-webs in London,

**R**ESPECTFULLY acquaints the Nobility and Public, that he is removed to the corner of Park-street, in Oxford-street, No. 246, facing Portman's Square, (late Williams's coffee-house) where every article is executed and sold, from twenty-five to thirty per cent. lower than at any warehouse in town.

Permit me, Gentlemen to request the continuance of the favours I have already received at your hands, although at such a distance from the west end of the town, which caused me, for the more convenient serving my worthy employers, to remove to the above, supposed to be the best adapted for carrying on the business in its various branches, and serving the Public with girth-webs, &c. of any warehouse in London. Gentlemen may see the webs in the looms, and cause them to be made to any pattern, strength, or quality, from sixpence per girth in the web to ten-pence halfpenny.

A new invented Spring-body Roller for the use and ease of that noble animal, the running horse, which gives to every breath, and is shaped to any pattern suitable to the cloathing, is more durable than the linen roller, being made of a fine four-thread worsted. Those rollers, neatly finished, with a round steel buckle (which prevents its cutting the snap) at 5s. 6d. the three, and 7s. the four; shaped ditto also made to any breadth and number of straps required.
